

Last year there was overwhelming interest and absolute delight from the pupils who experienced the Salford Ice Rink. A total of 30 schools booked skating packages, with over 3,200 children enjoying fun on the ice. But don't take our word for it check out some of the feedback from last year:

too cool for school

Thank you ever so much for the wonderful ice skating trip on Friday. The trip was extremely well organised and thoroughly enjoyed by all the adults and more importantly the children. It was fantastic to see the smiles on the children's faces and colour come into their cheeks. Many of the children would probably not have had the opportunity to visit the ice rink had you not facilitated the trip.

Mrs R Munro, Headteacher, Lewis Street Primary

Thank you for accommodating us at the Salford Ice Rink. Both the students and members of staff commented on how enjoyable the visit was and we would have no hesitation in visiting again next year. Once again thank you for organising a brilliant visit, we are very appreciative of your efforts.

Steve Settle, Salford College

Can I just thank you and all the staff involved yesterday for making our visit to the Ice Rink such a fantastic success. The children and staff had an amazing time. One child even thanked the head teacher on our return to school and said it was the best treat he had ever had. We will definitely come again next year.

Mark, St Thomas Canterbury

What a great way to end the term! Thanks a lot for booking us in at the ice rink. We've used it as an attendance and behaviour reward and it's been highly motivating.
